

Course Overview

Emergency First Aid at Work (EFAW) 1 Day Course

About the Course

The IQL Level 3 Emergency First Aid at Work (EFAW) qualification enables a first-aider to give emergency first aid to someone who is injured or becomes ill while at work. This one-day course covers a range of CPR and first aid skills, providing you with the skills to ensure a safe working environment.

The qualification is Ofqual accredited and valid for three years, making it suitable for all industries and enabling you to meet HSE requirements.

The Emergency First Aid at Work course is six hours and can be delivered in one day or split into smaller sessions over a four week period from the start of the course. The course comprises of practical work and theoretical classroom work, including practical assessment on CPR and first aid.

The award is valid for three years as of the date of assessment.

Pre-Requisites

Candidates must be a minimum of 16 years of age at the time of taking the assessment. No prior first aid knowledge is required.

Recommended For

Everyone!

Individuals and organisations are advised to take this course.

Course Delivery Sessions

You must attend 100% of classroom, online classroom sessions and practical sessions as well as submit all homework and coursework on time for marking to complete the course successfully.

Course Dates can be found on the website and for course timings please request at info@tritontraining.co.uk.

**Please note that timings and delivery method may change due to the ongoing covid-19 pandemic. Any changes will be communicated to the learners in good time.*
