

Course Overview

First Aid at Work (FAW) 3 Day Course (Supervisor)

About the Course

The IQL Level 3 First Aid at Work Qualification covers a wide range of CPR and first aid skills, equipping the first-aider to apply first aid to a range of specific injuries and illness. This three-day course covers a range of CPR and first aid skills, providing you with the skills to ensure a safe working environment.

The qualification is Ofqual accredited and valid for three years, making it suitable for all industries and enabling you to meet HSE requirements.

The First Aid at Work course is 18 hours and can be delivered over three consecutive days or can be split into smaller sessions and delivered over a 10 week period from the start of the course.

The course comprises of practical work and theoretical classroom work, as well as a practical assessment on CPR and first aid.

Pre-Requisites

Candidates must be a minimum of 16 years of age at the time of taking the assessment. No prior first aid knowledge is required.

Recommended For

Everyone!

Individuals and organisations are advised to take this course.

Course Delivery Sessions

You must attend 100% of classroom, online classroom sessions and practical sessions as well as submit all homework and coursework on time for marking to complete the course successfully.

Course Dates can be found on the website and for course timings please request at info@tritontraining.co.uk.

**Please note that timings and delivery method may change due to the ongoing covid-19 pandemic. Any changes will be communicated to the learners in good time.*
