

Course Overview

YMCA Awards Level 2 Certificate in Fitness Instructing

Who is this qualification for?

The YMCA Awards Level 2 Certificate in Fitness Instructing is widely recognised as the industry's minimum requirement to practice as a fitness instructor. It is for those who want to develop the knowledge, understanding and technical skills needed for a career in sport and active leisure as an employed/self-employed fitness instructor within one of the following disciplines: gym instructing, exercise to music, water-based exercise or children's fitness (see 'What this qualification could lead to' below).

This qualification has been specifically designed for the 16+ age group. It is based on fitness National Occupational Standards (NOS) and is recognised as the industry minimum requirement by the Register of Exercise Professionals (REPs) and employers. It also enables progression on to further learning within the health and fitness or active leisure sectors (see 'Progression to further learning' below). Learners will select this qualification if they are new to the industry and wish to be taught by a training provider (eg, a college) in a single discipline (eg, gym instructing). Current employment in the industry or a work placement is not required to undertake this qualification.

Candidates must meet the following criteria as prerequisites:

No prior qualifications are required, learners need to be aged 16+.

Course Overview

YMCA Awards Level 2 Certificate in Fitness Instructing

- how to communicate with clients effectively and motivate clients to adhere to an exercise programme.

Gym-based exercise

Learners will develop the knowledge and skills needed to plan and instruct gym-based exercise sessions for (apparently-healthy) adults of all ages. This involves learning how to teach a variety of gym-based exercises and use a range of gym equipment to plan and deliver gym sessions. They will also learn how to provide effective support for clients who take part in exercise and physical activity.

What could this qualification lead to?

Future employment possibilities

This qualification can lead to employment as a Fitness Instructor within the chosen discipline. Learners who complete this qualification are eligible to join the Register of Exercise Professionals (REPs) as a Level 2 member, specialising in their area of expertise.

Potential roles at this level could include:

- Gym instructor – carrying out gym inductions and writing health-related gym programmes for gym members
- Aerobics or studio instructor – teaching a range of classes eg, cardio/body conditioning.

The qualification enables the instructor to then take short courses to further enhance the range of classes they can offer such as Step, TRX etc.

- Aqua aerobics instructor – delivering water-based aerobics sessions in shallow water pools
- Children’s exercise and physical activity instructor – delivering fun activity sessions which could form part of school extra-curricular clubs or be delivered in other community settings and leisure centres

The above job roles are found in a range of settings:

- Gyms
- Health clubs
- Leisure centres/pools
- Community centres
- Schools

Progression to further/higher level learning

This qualification provides progression to other qualifications/frameworks at the same and higher levels, for example:
