

# Course Overview

## Swim England Safeguarding in Aquatics

This course will provide you with an understanding of your role, duty and responsibility in relation to safeguarding everyone within your organisation. It will raise your awareness of signs of abuse and give you the tools and confidence you need to deal with any issues sensitively, appropriately and effectively should the need ever arise.

Duration: 3 hours

Training Format: Interactive zoom webinar

### **Who is the course for?**

The Swim England Safeguarding in Aquatics Training was developed and written for Swim England affiliated Clubs, Swim Schools and Organisation Members who hold a role which requires a DBS check.

### **Candidates must meet the following criteria as prerequisites:**

- Be 16 years+ at the point of enrolment.

### **Course Delivery Sessions**

Swim England's Safeguarding course is bespoke and reflects the needs of a pool environment. The course will help you to understand:

- Explain what safeguarding, child protection and harm means
- Identify key legislation and guidance in relation to safeguarding
- Explain the importance of Swim England's Wavepower policy and procedures
- Explain what best practice means
- Explain what adult safeguarding means
- State the importance of professional boundaries and position of trust
- Identify the types, signs and symptoms of abuse and harm
- Recognise, react, respond and report concerns
