

Course Overview

STA Tutor Status

The STA Tutor Status Course is designed for experienced swimming teachers looking to take the next step in their professional development. Achieving tutor status enables you to deliver STA qualifications and mentor the next generation of swimming teachers. This course equips you with the knowledge, teaching strategies, and assessment skills necessary to become a confident and competent STA Tutor.

As an STA Tutor, you will be able to deliver and assess various STA qualifications and play a crucial role in raising teaching standards within the aquatics industry. This qualification is internationally recognised and opens doors for broader career opportunities in training and education.

Prerequisites:

- Must be 19 years+ at the point of registration
- Must hold a current STA Level 2 Certificate in Teaching Swimming (or equivalent)
- Must have relevant industry experience (minimum 2 years recommended)
- Must have a recognised teaching or assessing qualification (e.g., Level 3 AET or equivalent)
- Current STA Membership

Course Delivery Sessions

You must attend 100% of all scheduled training sessions, including classroom, online sessions, and practical assessments. Timely completion and submission of all coursework and assignments are required to complete the course successfully.
